Pragati Delvadiya

As a content writer with an interest in web development, I have a foundational understanding of PHP, HTML, CSS, and JavaScript. Additionally, I am familiar with the basics of search engine optimization (SEO) and am eager to continue learning and developing my skills in this area.

Work Experience:

Junior PHP Developer

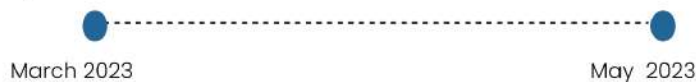

Ecoexitwebcorner - Rajkot

As an intern PHP developer, I am eager to learn and contribute to the development of web applications using PHP. I have a basic understanding of PHP language and its frameworks, and I am also familiar with HTML, CSS, and JavaScript. I am committed to writing clean and efficient code, testing and debugging, and collaborating with the team to deliver high-quality products.

Freelance SEO Writer

Europe

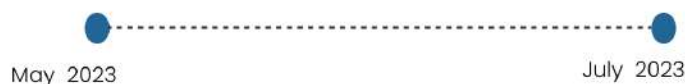

I created optimized content, enhanced online visibility, and engaged audiences effectively.
